

# VP6F

## SPECIFICATIONS

- Turn your 8' pickup box into a 6,000 lb. capacity dump truck.
- Completely hidden installation – raises the box only ¼", retaining the original look of your pickup.
- Engineered exclusively for 1999 to 2014 Ford Super Duty F Series ensuring a professional installation and perfect fit.
- Other models available for Chevrolet and GMC.
- Easy bolt-on installation – no welding of truck frame or pickup body.
- Integrated lifting plate, hinge assembly and body stiffener forms a rugged body understructure to rigidly support the pickup floor.
- Flatbed conversion kit available
- Bumper brackets maintain original bumper location and class 2 hitch capability.
- Electric/Hydraulic pump offers industrial strength performance in your choice of:
  - ES – Single-acting (Gravity down)
  - ED – Double-acting (Power down)
- ***The VP6F is not applicable for the 2017 Ford trucks.***

*In order to comply with the 2015 Ford Super Duty F-Series Incomplete Vehicle Manual FMVSS (Federal Motor Vehicle Safety Standard) 301 Fuel System Integrity, installation of the Venco VP hoist is prohibited on trucks with a GVWR of 10,000 lbs. or less, because the hoist requires modification to some or all of the following: fuel tank attachment hardware, fuel filler cap, pipe, hose, attachment hardware and/or trailer hitch receiver. For more details, please consult the Ford Super Duty F-Series Incomplete Vehicle Manual, March 2014, FC34-19A268-AB.*

**CAUTION: THE COMBINED WEIGHTS OF TRUCK, BODY, HOIST AND LOAD MUST NOT EXCEED THE GROSS VEHICLE WEIGHT RATING (GVWR) OF THE TRUCK.**
